TX Senses

TX is a modular system of tables, based on two different structures that allows any possible of tables combination by adapting to various functions of working spaces. The TX system is made by individual and modular tables or by combination of them. They can be joined together by the length or width, thus creating different solutions for working space such as meeting tables, modular workstation tables, individual or staff tables.

TX est un système modulaire qui a pour base deux structures différentes qui s'adaptent aux différentes fonctions dans l'ambiance de travail. Il incorpore des tables individuelles, modulaires et différentes combinaisons qui s'unissent côte à côte ou face à face, offrant de multiples solutions pour équiper des espaces de travail : tables de réunions, postes de travail modulaires, postes individuels ou en équipe.

TX es un sistema modular de mesas que nos permite realizar cualquier combinación posible adaptándose a distintas funciones en los espacios de trabajo. El sistema TX incorpora mesas individuales, modulares y combinaciones de mesas que se unen tanto longitudinal como lateralmente de forma que ofrece múltiples opciones para equipar espacios de trabajo: mesas de reunión, de convenciones, de trabajo para puestos modulares, mesas para trabajar individualmente o en equipo.

TX ist ein modulares System, das auf zwei verschiedenen Strukturen basiert, die sich an unterschiedliche Funktionen in der Arbeitsumgebung anpassen. Es umfasst einzelne, modulare Tische und Kombinationstische, die sowohl längs als auch seitlich zusammengefügt werden und vielfältige Möglichkeiten zur Ausstattung von Arbeitsräumen bieten: Konferenztische, modulare Arbeitsplätze, Einzel- oder Teamarbeitsplätze.
