# AAC 19 PRODUCT FACT SHEET

## **AAC 19**

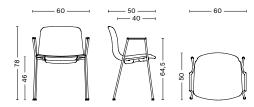

DESIGN BY HEE WELLING, 2010

Offering a slightly more formal expression than other designs in the collection, About A Chair AAC 19 features slim, elegant legs and armrests that frame the seat shell. The chair's slightly rounded upholstered seat offers excellent comfort, while the open front conveys a welcoming expression. The legs are available in chrome and powder coated finishes, with the post-consumer recycled plastic shell offered in multiple upholstery options. Its refined silhouette and multitude of design combinations make it ideal for using in conferences, dining rooms, or home office environments.

#### HIGHLIGHTS

- · Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman, and a sofa.
- · Variety of textiles, colours and base finishes.

## SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of ecocertified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
