

BONALDO

Cop

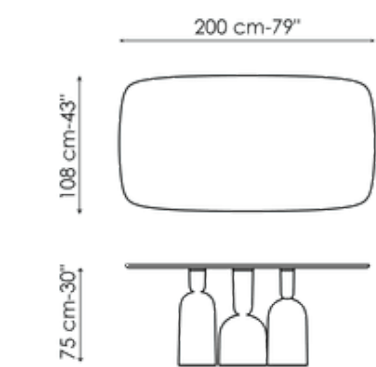

Designer: Roberto Paoli

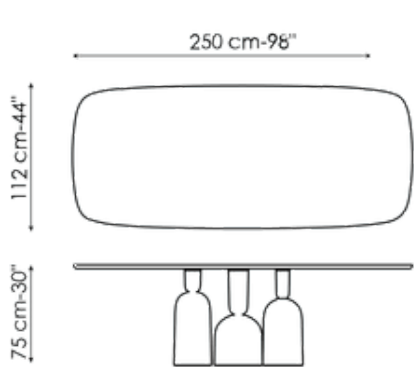

Dans la vie de tous les jours, les tables sont souvent encombrées d'objets divers, mais la surface du plateau Cop, avec son pied de table au design innovant, ressemble à une étendue d'eau sur laquelle les objets se renversent pour former une base inhabituelle. Des éléments stylisés inspirés de bouteilles, de calices précieux et de coupes de champagne apparaissent sous diverses formes et tailles, attirant immédiatement l'attention. Le plateau est un élément neutre qui met en valeur les objets posés dessus, créant une séparation visuelle élégante. Des lignes flexibles et une recherche formelle soignée créent une table conçue pour rassembler les personnes et les idées. La base de la table Cop est en métal peint, disponible en couleur unie ou en finitions laiton mat, cuivre mat ou brunie. Le plateau fixe est disponible en bois, céramique ou marbre, et peut être rond ou avec des bords arrondis.
